RE: Notice of Data Security Incident.

Dear <<First Name>> <<Last Name>>,

I am writing to inform you of a recent data security incident experienced by Morrison Products that may have involved your personal information. The security of your information is a top priority for Morrison Products. That is why I am writing to notify you of this incident, informing you about steps that can be taken to help safeguard your personal information, and offering you complimentary credit monitoring and identity monitoring services.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies:

Equifax Security Freeze: P.O. Box 105788, Atlanta, GA 30348, 1-800-685-1111, www.equifax.com

Experian Security Freeze: P.O. Box 9701, Allen, TX 75013, 1-888-397-3742, www.experian.com/freeze/center.html

TransUnion Security Freeze: P.O. Box 2000, Chester, PA, 19016, 1-888-909-8872, freeze.transunion.com

In order to request a security freeze, you will need to provide the following information:

1. Full name and any suffixes;
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft;

The consumer reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a request to the consumer reporting agencies and include proper identification (name, address, and Social Security Number) and the PIN or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available.

The consumer reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a request to each of the three consumer reporting agencies and include proper identification (name, address, and Social Security Number) and the PIN or password provided to you when you placed the security freeze. The consumer reporting agencies have three (3) business days after receiving your request to remove the security freeze. No fee is required to be paid to any of the consumer reporting agencies to place, lift or remove a security freeze.

In order to determine whether any unauthorized credit was obtained with your information, you may obtain a copy of your credit report at www.annualcreditreport.com or 1-877-322-8228. You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. A fraud alert is intended to alert you if someone attempts to obtain credit in your name without your consent. It is recommended that you remain vigilant for any incidents of fraud or identity theft by reviewing credit card account statements and your credit report for unauthorized activity. You may also contact the Federal Trade Commission (FTC) to learn more about how to prevent identity theft:

FTC, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, D.C. 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).

You can also enroll in the IDX identity protection services being provided to you, at no cost, through IDX. To enroll, please visit the IDX website at <https://app.idx.us/account-creation/protect> and provide your enrollment code located at the top of this page. Please note that the deadline to enroll is February 1, 2023. Additional information describing the IDX identity protection services, along with other recommendations to protect your personal information, is included with this letter.

Please accept our sincere apologies for any worry or inconvenience that this may cause you. If you have any questions, please call 1-833-909-4421 Monday through Friday from 9:00 am to 6:30 pm Eastern Time, or please visit the IDX website at <https://app.idx.us/account-creation/protect> for assistance or for any additional questions you may have. Please have your enrollment code ready.

Sincerely,

Anne Holmes Schuerger

Additional Steps You Can Take to Further Protect Your Information

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and monitoring free credit reports closely for errors and by taking other steps appropriate to protect accounts, including promptly changing passwords. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained for remediation assistance or contact a remediation service provider. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC). You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Ave, NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), www.consumer.ftc.gov, www.ftc.gov/idtheft.

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print this form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>. You also can contact one of the following three national credit reporting agencies:

- *Equifax*, P.O. Box 740241, Atlanta, GA 30374, 1-800-525-6285, www.equifax.com.
- *Experian*, P.O. Box 9532, Allen, TX 75013, 1-888-397-3742, www.experian.com.
- *TransUnion*, P.O. Box 1000, Chester, PA 19016, 1-800-916-8800, www.transunion.com.

Fraud Alerts: There are two kinds of general fraud alerts you can place on your credit report—an initial alert and an extended alert. You may want to consider placing either or both fraud alerts on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. You may have an extended alert placed on your credit report if you have already been a victim of identity theft and provide the appropriate documentary proof. An extended fraud alert is also free and will stay on your credit report for seven years. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>. Military members may also place an Active Duty Military Fraud Alert on their credit reports while deployed. An Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment.

Credit or Security Freezes: Under U.S. law, you have the right to put a credit freeze, also known as a security freeze, on your credit file, for up to one year at no cost. The freeze will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit.

You must separately place a security freeze on your credit file with each credit reporting agency. There is no fee to place or lift a security freeze. For information and instructions on how to place a security freeze, contact any of the credit reporting agencies or the Federal Trade Commission identified above. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement. After receiving your freeze request, each credit bureau will provide you with a unique PIN or password. Keep the PIN or password in a safe place as you will need it if you choose to lift the freeze.

A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or via phone, a credit bureau must lift the credit freeze within an hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after receiving your request.

IRS Identity Protection PIN: You can obtain an identity protection PIN (IP PIN) from the IRS that prevents someone else from filing a tax return using your Social Security number. The IP PIN is known only to you and the IRS and helps the IRS

verify your identity when you file your electronic or paper tax return. You can learn more and obtain your IP PIN here: <https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin>.

You also have certain rights under the Fair Credit Reporting Act (FCRA): These rights include the right to know what is in your file; to dispute incomplete or inaccurate information; to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, and your rights pursuant to the FCRA, please visit http://files.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state attorney general about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the attorney general in your state.
