RE: Important Security Notification
Please read this entire letter.

Dear Sample A. Sample:

Notice of Data Breach

We are contacting you regarding a data security incident that occurred in late July 2022 at Whitman-Hanson Regional School District (“Whitman-Hanson”) that may have affected some of your personal information.

What Happened

In late July 2022, Whitman-Hanson was the victim of an isolated ransomware incident that resulted in a third party gaining unauthorized access and possibly extracting data from Whitman-Hanson’s on-site servers.

While there is currently no indication your personal information identified was used, there is reason to believe it was accessed during this incident.

Upon learning of the issue, Whitman-Hanson immediately notified its cyber insurance carrier to help remediate and fortify its systems and immediately notified local police, Massachusetts State Police, the Federal Bureau of Investigation, and the U.S. Department of Homeland Security. Whitman-Hanson also collaborated and cooperated with breach counsel and forensic vendors to investigate the root of incident, secure its systems, prevent this issue from reoccurring, and identify any sensitive or personal information that was compromised as result.

What Information Was Involved

This incident involved your **Social Security Number, ACH information and W-2 information**. This personal information may have been potentially exposed to others.

We sincerely apologize for this incident and regret any inconvenience it may cause you. Whitman-Hanson takes its obligations to protect sensitive data very seriously and will continue to safeguard against an incident like this in the future.

What We Are Doing

Please be assured that we have taken every step necessary to address the incident, including notifying state and federal regulatory bodies as required by law. The District takes its obligations to protect information seriously and took immediate action to limit the risks posed by this incident by instituting additional stringent security measures and will continue to carefully monitor its systems to avoid a similar incident in the future. Once the incident was discovered by the District, it acted quickly to limit risks, including securing the compromised systems and initiating an investigation into the unauthorized access to determine the root cause.

Reporting identity theft and obtaining a police report

For Massachusetts residents: You have the right to obtain a police report if you are a victim of identity theft.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

Equifax	Experian	TransUnion
P.O. Box 105788	P.O. Box 9554	P.O. Box 2000

www.equifax.com/personal/ credit-report-services	www.experian.com/ freeze/center.html	www.transunion.com/ credit-freeze

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze:

- 1) Full name, with middle initial and any suffixes;
- 2) Social Security number;
- 3) Date of birth (month, day, and year);
- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill;
- 6) Other personal information as required by the applicable credit reporting agency;

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze

within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts 1-year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. Should you wish to place a fraud alert, please contact any one of the agencies listed below. The agency you contact will then contact the other two credit agencies.

Free Credit Report. It is recommended that you remain vigilant by reviewing account statements and monitoring your credit report for unauthorized activity, especially activity that may indicate fraud and identity theft. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report please visit www.annualcreditreport.com or call toll free at **1-877-322-8228**.

You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

For Massachusetts and Vermont residents: You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

Monitor Your Personal Health Information

If applicable to your situation, we recommend that you regularly review the explanation of benefits statement that you receive from your insurer. If you see any service that you believe you did not receive, please contact your insurer at the number on the statement. If you do not receive the regular explanation of benefits statements, contact your provider and request them to send such statements following the provision of services in your name or number.

You may want to order copies of your credit reports and check for any medical bills that you do not recognize. If you find anything suspicious, call the credit reporting agency at the phone number on the report. Keep a copy of this notice for your records in case of future problems with your medical records. You may also want to request a copy of your medical records from your provider, to serve as a baseline. If you are a California resident, we suggest that you visit the website of the California Office of Privacy Protection at www.privacy.ca.gov to find more information about your medical privacy.
