Further to the communication that was sent to employees on February 15, 2023, we are writing to provide you with an update on the cybersecurity incident that Inland recently experienced and which may have impacted some of your personal information. Out of an abundance of caution, we are providing you with this letter to inform you of this incident, the steps we are taking to bolster the protection of personal information in our systems and steps that you can take to protect your information.

Why does Inland have my personal information?

As an employer, Inland collects a variety of personal information for benefits, HR, and employment-related purposes. This includes personal information of Inland employees, as well as of our subsidiaries’ employees. Inland may have your personal information because you are a current or former employee of Inland or of one of our subsidiaries.

What happened?

On February 11, 2023, we discovered that an unauthorized third party gained access to a limited portion of our IT infrastructure, temporarily affecting some of our systems and rendering them inaccessible. The investigation revealed that an unauthorized third party accessed certain Inland systems on February 7, 2023.

ADDITIONAL STEPS YOU CAN TAKE

Free Credit Report. Regardless of whether you choose to take advantage of the complimentary identity monitoring, it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. If you identify any unauthorized charges on your financial account statements, you should immediately report any such charges to your financial institution. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission’s (“FTC”) website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Contact information for the three nationwide credit reporting companies is as follows

Equifax	Experian	TransUnion
Phone: 1-800-685-1111 P.O. Box 740256 Atlanta, Georgia 30348 www.equifax.com	Phone: 1-888-397-3742 P.O. Box 9554 Allen, Texas 75013 www.experian.com	Phone: 1-888-909-8872 P.O. Box 105281 Atlanta, GA 30348-5281 www.transunion.com

Security Freeze. Security freezes, also known as credit freezes, restrict access to your credit file, making it harder for identity thieves to open new accounts in your name. You can freeze and unfreeze your credit file for free. You also can get a free freeze for your children who are under 16. And if you are someone’s guardian, conservator or have a valid power of attorney, you can get a free freeze for that person, too.

How will these freezes work? Contact all three of the nationwide credit reporting agencies – Equifax, Experian, and TransUnion. If you request a freeze online or by phone, the agency must place the freeze within one business day. If you request a lift of the freeze, the agency must lift it within one hour. If you make your request by mail, the agency must place or lift the freeze within three business days after it gets your request. You also can lift the freeze temporarily without a fee.

Don’t confuse freezes with locks. They work in a similar way, but locks may have monthly fees. If you want a free freeze guaranteed by federal law, then opt for a freeze, not a lock.

The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. You may obtain information from the credit reporting agencies and the FTC about security freezes.

For New Mexico residents: You may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You may submit a declaration of removal to remove information placed in your credit report as a result of being a victim of identity theft. You have a right to place a security freeze on your credit report or submit a declaration of removal pursuant to the Fair Credit Reporting and Identity Security Act. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

Fraud Alerts. A fraud alert tells businesses that check your credit that they should check with you before opening a new account. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. To place a fraud alert on your credit reports, contact one of the

CAN_DMS: \151023187\1

nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report. You may obtain additional information from the credit reporting agencies and the FTC about fraud alerts.
