Dear Sample A. Sample:

Our Sunday Visitor, Inc. (“OSV”) writes to notify you of an incident that may affect the privacy of some of your information. This letter provides details about resources available to you to help protect your information from possible misuse, should you feel it is appropriate to do so.

On March 8, 2023, OSV discovered suspicious activity on its network. We immediately took steps to secure our systems and initiated an investigation into the nature and scope of the event with the assistance of third-party forensic specialists. The investigation determined that certain files were acquired by an unknown actor while on OSV’s network . In response, we undertook a thorough review of the data determined to be at risk to assess the type of information at issue and to whom that information relates. We completed this review on May 4, 2023, and confirmed that the files contained sensitive information related to you. The information that may have been impacted by this event includes your: full name, [Extra2]. OSV is not aware of any fraud or identity theft related to this event.

The confidentiality, privacy, and security of information in our care is among our highest priorities. Upon discovery of the suspicious activity, we immediately commenced an investigation to confirm the nature and scope of the incident. We also reported the event to law enforcement, and we are taking steps to implement additional safeguards related to data privacy and security. In addition, we are offering credit monitoring and identity theft protection services through Experian for twenty-four (24) months at no cost to you as an added precaution. A description of services and instructions on how to enroll can be found below.

If you discover or suspect fraudulent activity involving your account, credit or debit card, we encourage you to promptly contact the issuing bank or relevant financial institution. The number to call for assistance is usually on the back of the card. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus listed below directly to request a free copy of your credit report. This notice has not been delayed by law enforcement.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below. In order to request a security freeze, you may need to provide some of the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;

*Offline members will be eligible to call for additional reports quarterly after enrolling.

**The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit file report, based upon the method of the request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with the process by which you may remove the security freeze, including an authentication mechanism. Upon receiving a direct request from you to remove a security freeze and upon receiving proper identification from you, the consumer reporting agency shall remove a security freeze within one (1) hour after receiving the request by telephone for removal or within three (3) business days after receiving the request by mail for removal.

As an alternative to a security freeze, you have the right to place an initial or extended “fraud alert” on your file at no cost. An initial fraud alert is a one (1) year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years.

Should you wish to place a fraud alert, please contact any one of the agencies listed below.
