Notice of Data Breach

Dear «Name»:

On behalf of e-Hazard, I am writing to let you know about a recent data security incident that may involve your personal information. We take this incident seriously and we want to provide you information about resources available to help you protect your information from possible misuse, should you feel it is appropriate to do so.

We will provide you with credit monitoring for twenty-four (24) months at no cost to you. You will need to enroll yourself in the credit monitoring to take advantage of this resource. If you would like to enroll, please contact us at 800-495-0804 or email accounting@e-hazard.com within ninety (90) days from the date of this notice letter and we will supply you with an activation code and instructions on how to enroll. Please note, credit monitoring is not available for minors. For a minor receiving this notification we can provide a Social Security Number trace that allows parents/guardians to enroll a dependent under the age of 18 to monitor for potentially fraudulent activity associated with the minor's Social Security Number. Please contact us at the number above for more information on how to obtain a Social Security Number trace for a minor. A security freeze can also be placed on a minor's credit report for no charge. See information on freezing a credit report below.

We encourage you to remain vigilant for instances of fraud or identity theft by reviewing your financial account statements, and monitoring your credit reports for suspicious activity. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report at no charge, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. You can unfreeze or temporarily lift your freeze to apply for a new loan, credit, mortgage, or any other account involving the extension of credit. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze	TransUnion P.O. Box 160 Woodland, PA 19094 1-800-916-8800 www.transunion.com/credit-freeze	Equifax P.O. Box 105788 Atlanta, GA 30348 1-800-685-1111 https://www.equifax.com/personal/credit-report-services/credit-freeze/

In order to request a security freeze, you will need to provide the following information:

1. Your full name;
2. Social Security number;
3. Date of birth;
4. Complete addresses for the past two years;
5. Proof of current address, such as a current utility bill or telephone bill; and

6. A government-issued ID card (state driver's license or ID card, military identification, etc.).

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit file report, based upon the method of the request.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
