## NOTICE OF EXPOSURE OF PERSONAL INFORMATION

Dear [First name]:

We are writing to inform you that an incident involving personal information associated with your Farmers Insurance® policy occurred on August 12, 2023.

### What We Are Doing.

As an option for you, we are providing you with access to single bureau credit monitoring/triple bureau credit report\* services at no charge. These services provide you with alerts for twelve months from the date of enrollment when changes occur to your credit file. These notifications will be sent to you the same day that the change or update takes place with the bureau. In addition, we are providing you with proactive fraud assistance to help with any questions that you might have. These services will be provided by Cyberscout, through Identity Force, a company specializing in fraud assistance and remediation services.

To enroll in credit monitoring\* services at no charge, please log on to <<Custom URL>> button and follow the instructions provided. When prompted, please provide the following unique code to receive services: <<Access Code>>

In order for you to receive the monitoring services described above, you must enroll within 1 year from the date of this letter.

### What You Can Do.

In addition to enrolling in credit monitoring, we recommend that you take the following precautions:

**Order your free credit report** – You are entitled under U.S. law to one free credit report annually from each of the three national credit bureaus. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com), call toll free at **877-322-8228**, or complete the “Annual Credit Report Request Form” on the U.S. Federal Trade Commission’s website at [www.ftc.gov](http://www.ftc.gov) and mail it to **Annual Credit Report Requests Service, P.O. Box 105281, Atlanta, GA 30348-5281**. Do not contact the three credit bureaus individually. They provide free annual credit reports only through the website or toll-free number.

When you receive your credit report, review it carefully. Look for accounts you did not open, inquiries from creditors you did not initiate, and any inaccurate personal information, such as your home address and telephone number. You should notify the credit bureaus of any inaccuracies in your report, whether due to error

or fraud, as soon as possible, so the information can be investigated and, if found to be in error, corrected. If there are accounts or charges you did not authorize, immediately notify the appropriate credit bureau by telephone and in writing. You should also call your local police department and file a report of identity theft. Get and keep a copy of the police report, because you may need to give copies to creditors to clear up your records or to access transaction records. Even if there are no signs of fraud, you should continue to check your credit report every three months for the next year.

**Place a fraud alert on your credit bureau file** – A fraud alert instructs issuers of credit to use more than normal scrutiny for any request for new or additional credit. This adds a layer of protection, but it might limit your ability to obtain *instant credit* (for example, an instant credit card offered by a retail store). You can place a fraud alert by contacting one of three national consumer reporting agencies directly at:

Equifax	P.O. Box 740241 Atlanta, Georgia 30374-0241	800-525-6285	<a href="http://www.equifax.com">www.equifax.com</a>

**Place a security freeze on your credit file** – Since September 21, 2018, placing a freeze on your credit file is free. Visit the credit bureau links below to determine how and what information you need to provide them to place a security freeze on your credit report to prohibit a credit bureau from releasing information from your credit report without your consent.
