<<NOTICE OF DATA BREACH>>

Dear <<Name>>:

Thomas Brady & Associates writes to notify you of an incident that may have involved some of your personal information as described below. We take the privacy of information in our care seriously. We are providing you with information about the incident, our response, and steps you can take to protect your information.

What Happened: We recently identified suspicious activity related to an employee email account. Upon discovery, we took immediate action to address and investigate the incident, including performing a password reset and engaging third-party specialists to assist in conducting a full investigation. The investigation ultimately determined that one employee email account was accessed by an unauthorized person on May 5, 2023. The investigation was unable to determine which, if any, emails and attachments from the email account may have been accessed by the unauthorized person. Therefore, we reviewed emails and attachments from the account to identify the type of information potentially at risk and to whom that information related. We worked to provide you with this notification as soon as possible.

What Information Was Involved: On August 14, 2023, we completed the review of emails and attachments that were potentially at risk. The review identified an email or attachment within the account that included your first and last name, in combination with the following data elements: <<Breached Elements>>.

What We Are Doing: We have taken the steps necessary to address the incident and are committed to fully protecting the information that you have entrusted to us. Upon learning of this incident, we immediately took the steps outlined above. Additionally, we are offering you <<CM Length>> months of complimentary credit monitoring and identity protection services through Equifax.

What You Can Do: You may enroll in the credit monitoring services we are making available to you. We have also provided additional information below, which contains more information about steps you can take to help protect yourself against fraud and identity theft.

For More Information: Should you have any questions or concerns, please contact Michael Slattery at mslattery@tbradyandassociates.com. The security of information is of the utmost importance to us. We stay committed to protecting your trust in us and continue to be thankful for your support.

Sincerely,

Thomas Brady & Associates

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
