Re: Notice of Data Security Incident

Dear Customer:

We are writing to inform you of a recent data security incident with a file transfer tool used by our core processor that might have disclosed some of your personal information.

We have no evidence at this time that your personal information has been used in an unauthorized way, but we are sending this letter to:

- Communicate what happened out of an abundance of caution
- Identify the personal information involved
- Provide details on how to enroll in 24-months of identity monitoring and theft resolution services we are offering to you **at no charge**

### **What Happened**

On May 31, 2023, Progress Software reported a previously unknown vulnerability in its MOVEit Transfer tool. Thousands of companies, including one of our business partners, use this file transfer tool to move data files. Upon notification, our business partner, immediately suspended use of the MOVEit Transfer tool and it remained disabled until our partner received and implemented a software patch to remediate the issue. Our business partner also launched an immediate investigation working alongside cyber experts and appropriate law enforcement agencies. The investigation revealed evidence that an unauthorized third party potentially accessed certain files transferred through MOVEit Transfer that may have contained some of your personal information.

There is no evidence at this time that your personal information has been used in an unauthorized way.

### **What Personal Information Was Involved**

The personal information involved may have included your Debit / ATM card number, Name and Address, and account number.

### **Replacement ATM / Debit Card**

Your replacement card with easy-to-use activation instructions will be sent to you via mail in the coming weeks. Please activate your card immediately upon receipt. Your old card will be canceled once the new card is used, or by 11/30/23, whichever is earlier.

## REFERENCE GUIDE

In the event that you suspect that you are a victim of identity theft, we encourage you to remain vigilant and consider taking the following steps:

**Order Your Free Credit Report.** To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com), call toll-free at 877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's website at [www.ftc.gov](http://www.ftc.gov) and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Do not contact the three credit bureaus individually; they provide your free report only through the website or toll-free number.

When you receive your credit report, review the entire report carefully. Look for any inaccuracies and/or accounts you don't recognize, and notify the credit bureaus as soon as possible in the event there are any.

You have rights under the federal Fair Credit Reporting Act ("FCRA"). These include, among others, the right to know what is in your file; to dispute incomplete or inaccurate information; and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit [www.consumer.ftc.gov/sites/default/files/articles/pdf/pdf-0096-fair-credit-reporting-act.pdf](http://www.consumer.ftc.gov/sites/default/files/articles/pdf/pdf-0096-fair-credit-reporting-act.pdf) or [www.ftc.gov](http://www.ftc.gov)

**Place a Fraud Alert on Your Credit or Consumer File:** To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be a victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can report potential identity theft to all three of the major credit bureaus by calling any one of the toll-free fraud numbers below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three bureaus. You can flag your consumer file with ChexSystems online by visiting the website and registering for a Secure Consumer Portal Account or call the toll-free number below for more information.

**Place a Security Freeze on Your Credit or Consumer File.** You have the right to place a "security freeze" on your credit file. A security freeze generally will prevent creditors from accessing your credit file at the three nationwide credit bureaus without your consent. You can request a security freeze free of charge by contacting the credit bureaus. You can also place a security freeze on your ChexSystems consumer file by contacting ChexSystems directly.

The consumer reporting agencies may require that you provide proper identification prior to honoring your request. In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years.
5. Proof of current address, such as a current utility bill or telephone bill

7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to law enforcement agency concerning identity theft

Placing a security freeze on your file may delay, interfere with, or prevent timely approval of any requests you make for credit, loans, employment, housing or other services. For more information regarding credit freezes, please contact the credit reporting agencies directly.

**Contact the U.S. Federal Trade Commission.** If you detect any incident of identity theft or fraud, promptly report the incident to your local law enforcement authorities, your state Attorney General and the Federal Trade Commission ("FTC"). If you believe your identity has been stolen, the FTC recommends that you take these additional steps.

- Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. Use the FTC's ID Theft Affidavit (available at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)) when you dispute new unauthorized accounts.
- File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.
