Dear Sample A. Sample:

Members Plus Credit Union (“Members Plus”) values and respects your privacy, which is why we are writing to advise you of a recent incident at one of our vendors that involved some of your personal information. This letter explains the incident, the steps we have taken in response, and the steps you may take to help protect your information, should you feel it is appropriate to do so.

What Happened? MOVEit is a popular file transfer service used by government agencies, corporations, financial institutions, and other organizations worldwide. Members Plus does not directly use MOVEit. However, on July 27, 2023, one of our vendors notified us that they experienced an incident involving their MOVEit application. An unauthorized third party exploited a previously unknown vulnerability in MOVEit that allowed the third party to gain access to files on the vendor’s MOVEit application between May 30, 2023 and May 31, 2023. During the incident, the third party acquired files containing certain Members Plus information.

This incident did not involve unauthorized access to any Members Plus systems. Your accounts at Members Plus were not accessed by any unauthorized party in this incident.

What Information was Involved? The third party acquired files that contained your name, address, and financial account number. Your Social Security number was not involved in the incident.

What We Are Doing. Upon learning of the incident, we began an investigation to understand the scope of the incident. We also worked with our vendor to ensure that it took steps to secure its MOVEit application.

What You Can Do. While we have no evidence that your personal information has been misused, you can find more information on steps to protect yourself against possible identity theft or fraud in the enclosed *Additional Important Information* sheet.

For More Information. We value the trust you place in us to protect your privacy, take our responsibility to safeguard your personal information seriously, and apologize for any inconvenience or concern this incident might cause. For further information and assistance, please call **800-626-4171**, from 9 am to 11 pm EST Monday through Friday, or from 11 am to 8 pm EST Saturday and Sunday (excluding major U.S. holidays). Please be prepared to provide engagement number [REDACTED].

Sincerely,

John J. Murphy

If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze can be placed without any charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to each of the three major consumer reporting agencies by regular, certified or overnight mail at the addresses below or, if available, comply with the consumer reporting agencies' online security freeze request procedures:

The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail or, if available, comply with the consumer reporting agencies' online procedures for lifting a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available.
