

**NOTICE OF DATA BREACH**

Dear [REDACTED]

**What Happened?**

We are contacting you regarding an incident involving MOVEit Transfer through which some of your personal information was disclosed to a third party. On [REDACTED] our third-party vendor informed us that Rogue Credit Union (“Rogue”) was impacted by vulnerabilities discovered in MOVEit Transfer by Progress Software, the commonly used secure Managed File Transfer (MFT) software supporting file transfer activities by thousands of organizations around the world. The MOVEit Transfer software was used by a third-party service provider to support our institution’s services. This incident did not impact the Rogue systems.

Analysis to date has identified unauthorized activity in the relevant MOVEit Transfer environment between May 27 to 31, 2023, which was before Progress Software publicly disclosed the existence of this vulnerability. During that time, unauthorized actors obtained files transferred via MOVEit Transfer which included certain personal information.

**What Information Was Involved?**

From a careful review of the contents of the files, on November 13, 2023 we have determined that one or more of the files may have contained information including your full name, address, bank account number and routing number.

**What We Are Doing.**

We wanted to notify you of this incident and to assure you that we take it seriously. The privacy and security of the personal information we maintain is of the utmost importance to Rogue Credit Union. Upon learning of this incident, we immediately contacted our third-party service provider and worked with them to launch a comprehensive investigation, identify individuals affected and notify regulatory bodies as required. To help prevent something like this from happening again, our third-party service provider has remediated all technical vulnerabilities and patched systems in accordance with the MOVEit software provider’s guidelines. Our third-party service provider also mobilized a technical response team to examine the relevant MOVEit Transfer systems and ensure that there were no further vulnerabilities.

### **ADDITIONAL STEPS YOU CAN TAKE**

To help protect against possible fraud, identity theft or other financial loss, we encourage you to remain vigilant, to review your account statements and to monitor your credit reports. Provided below are the names and contact information for the three major U.S. credit bureaus and additional information about steps you can take to obtain a free credit report, and place a fraud alert or security freeze on your credit report. If you believe you are a victim of fraud or identity theft you should consider contacting your local law enforcement agency, your state's Attorney General, or the Federal Trade Commission.

#### **INFORMATION ON OBTAINING A FREE CREDIT REPORT**

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll-free (877) 322-8228.

#### **INFORMATION ON IMPLEMENTING A FRAUD ALERT, CREDIT FREEZE, OR CREDIT LOCK**

To place a fraud alert, credit freeze, or credit lock on your credit report, you must contact the three consumer reporting agencies below:

Equifax:	Experian:	TransUnion:
Equifax Information Services LLC	Credit Fraud Center	Fraud Victim Assistance
P.O. Box 105788	P.O. Box 9554	Department
Atlanta, GA 30348	Allen, TX 75013	P.O. Box 2000
1-888-298-0045	1-888-397-3742	Chester, PA 19022-2000
<a href="http://www.equifax.com">www.equifax.com</a>	<a href="http://www.experian.com">www.experian.com</a>	1-800-680-7289
		<a href="http://www.transunion.com">www.transunion.com</a>

**Fraud Alert:** Consider contacting the three major consumer reporting agencies at the addresses above to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might help protect against someone else obtaining credit in your name.

To place a fraud alert, contact any of the three major consumer reporting agencies listed above and request that a fraud alert be put on your file. The agency that you contacted must notify the other two agencies. A fraud alert is free and lasts 90 days, but can be renewed.

**Credit Freeze:** A credit freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report until the freeze is lifted. When a credit freeze is in place, no one—including you—can open a new account. As a result, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services.

Placing a credit freeze is free. To place a credit freeze, contact all three consumer reporting agencies listed above and provide the personal information required by each agency to place a freeze, which may include:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.); and
7. If you are a victim of identity theft, a copy of either a police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

When you place a credit freeze, you will be provided a PIN to lift temporarily or remove the credit freeze. A credit freeze generally lasts until you lift or remove it, although in some jurisdictions it will expire after seven years.

**Credit Lock:** Like a credit freeze, a credit lock restricts access to your credit report and prevents anyone from opening an account until unlocked. Unlike credit freezes, your credit can typically be unlocked online without delay. To lock your credit, contact all three consumer reporting agencies listed above and complete a credit lock agreement. The cost of a credit lock varies by agency, which typically charges monthly fees.

You may also contact the U.S. Federal Trade Commission (“FTC”) for further information on fraud alerts, credit freezes, credit locks, and how to help protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone 1-877-382-4357; or [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft).

You can contact the Rhode Island Attorney General at: 150 South Main Street, Providence, RI 02903, (401) 274-4400, [www.riag.ri.gov](http://www.riag.ri.gov). As noted above, you have the right to place a security freeze on your credit report at no charge, but note that consumer reporting agencies may charge fees for other services. To place a security freeze on your credit report, you must send a request to each of the three major consumer reporting agencies: Equifax, Experian, and TransUnion. These agencies can be contacted using the contact information provided above. In order to request a security freeze, you may need to provide the following information: your full name (including middle initial as well as Jr., Sr., II, III, etc.); Social Security number; date of birth; complete address; prior addresses; proof(s) of identification (state driver’s license or ID card, military identification, birth certificate, etc.); and if you are a victim of identity theft, a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft. When you place a security freeze on your credit report, within five (5) business days you will be provided with a personal identification number or password to use if you choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report for a specific period of time after the freeze is in place. To provide that authorization, you must contact the consumer reporting agency and provide all of the following: (1) the unique personal identification number or password provided by the consumer reporting agency; (2) proper identification to verify your identity; and (3) the proper information regarding the period of time for which the report shall be available to users of the credit report.
