Dear Sample A. Sample:

National Amusements, Inc. (“National Amusements”) is providing notice of an event that may affect the security of some of your information. While we have no indication of any identity theft or fraud occurring as a result of this event, we are providing you with notice of the event, our response, and additional measures you can take to help protect your information, should you feel it appropriate to do so.

As part of our ongoing commitment to the security of information, we are evaluating opportunities to improve security to better prevent future events of this kind. While we currently do not have evidence of any identity theft or fraud related to this event, we are offering you access to complimentary credit monitoring services for 24 months through Experian. These services include fraud consultation and identity theft restoration services. You will need to enroll yourself in these services as we are not able to activate on your behalf. Further, we encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements and monitoring your free credit reports for suspicious activity and to detect errors.

If you believe there was fraudulent use of your information as a result of this event and would like to discuss how you may be able to resolve those issues, please reach out to an Experian agent. If, after discussing your situation with an agent, it is determined that identity restoration support is needed then an Experian Identity Restoration agent is available to work with you to investigate and resolve each incident of fraud that occurred from the date of the event (including, as appropriate, helping you with contacting credit grantors to dispute charges and close accounts; assisting you in placing a freeze on your credit file with the three major credit bureaus; and assisting you with contacting government agencies to help restore your identity to its proper condition).

Please note that Identity Restoration is available to you for 24 months from the date of this letter and does not require any action on your part at this time. The Terms and Conditions for this offer are located at www.ExperianIDWorks.com/restoration.

While identity restoration assistance is immediately available to you, we also encourage you to activate the fraud detection tools available through Experian IdentityWorks as a complimentary 24-month membership. Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you may need to provide the following information, depending on whether you make the request online, by phone, or by mail:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.);
7. Social Security Card, pay stub, or W2; and/or
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

¹ Offline members will be eligible to call for additional reports quarterly after enrolling.

² The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

Should you wish to place a credit freeze or fraud alert, please contact the three major credit reporting bureaus listed below:
