Selects appropriate clothing for		Apps Available
different weather conditions.		
Other:		

DINING AND MEAL PREPERATION	Rate	If not a C, what that is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Can get preferred food items				Counter, Shelf
Can get cups and plates				
Can pour items (i.e.,cereal, milk)				Smaller Containers
Can prepare cold lunch				Lowers shelves/countertops
Can cut up items				•
Can use utensils				
Can use microwave				Color Code Buttons; Coding Dots
Can prepare hot foods				Heat Resistant Gloves
Can follow a recipe either written/audio/ or pictorial.				Pictorial/Audio App
Can operate all available household appliances.				
Other:				

Household (Many of these are listed in the ISP Safety Assessment – Use the other for specific appliance/equipment)	Rate	If not a C, what is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Can turn on television and change channels				
Can turn on light				
Can use washer and dryer				Raise w/ pallet or 2 x 4's
Other:				

Self-Medication

	Rate	If not a C, what is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Can meet the criteria self-				
medicating:				
An ability to store his/her				
medication so that it is inaccessible				
to others				
An understanding of the type of				

medication, its purpose and for what			
symptoms or condition it is being			
prescribed			
Knowledge of the frequency of			
doses (verbal reminders may be			
used)			
A familiarity with the most common			
side effects of the medication, if			
any.			
Is able to dispense the medication	·		

Computer Access

COMPUTER ACCESS	Rate	What is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Can turn on the computer				
Can navigate the computer				
Can find community resources				Online Newspapers
Can access email				Tablet/PC
Can access web pages/programs of				
interest				
Other:				

Community

COMMUNITY SKILLS & PUBLIC TRANSPORTATION	Rate	What is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Able to walk independently & safely to a familiar location				GPS
Able to use public transportation				
Is able to inform driver of destination and ask for assistance as needed.				FitBit- location tracker
Uses landmarks to recognize destination & signals bus stop				
Exits at desired stop				

ORGANIZATION AND PLANNING	Rate	What is the person's current limitation/barrier in this area?	Does the person want to or would he/she benefit from greater access/independence in this area?	Identify Assistive Tech Currently Used in this Area
Is able to plan his/her day				
Is able to remember scheduled/important daily events (doctor appointments, friend's birthday party)				Daily Task Apps
Other:				

OTHER	Rate	What is the person's current limitation/barrier in this area?	Does the person want to or would he/she	Identify Assistive Tech Currently
			benefit from greater access/independence in this area?	Used in this Area

Assistive Technology Supports - Example

Name:	Date:	
Write the specific area the person wa	nts to be more independent or overcome a challenge:	
Assistive technology that may assist the	ne person:	
How will the assistive technology be f	unded?	
How and when will name a massive gra	nnout to loom to use it (nuovided tuoining)?	
How and when will person receive suj	pport to learn to use it (provided training)?	
Who will train the person and their st	upport staff?	
How and when will an evaluation of t	he nevgen's suggestisfection be completed?	
How and when will all evaluation of t	he person's success/satisfaction be completed?	
Task Analysis
