Sec	ctio	n II. Narrative Template
	1.	Needs Assessment (3 page limit)
		Use the space provided to 1) Provide a description of the school district/charter identified to benefit from this application, 2) Describe in detail the current school district's unmet safety and security needs, 3) The sources or methods used for assessing the problem should also be described, 4) Further explain why such school safety and security needs stated have not been previously met to justify grant funds are needed.
		4
		4

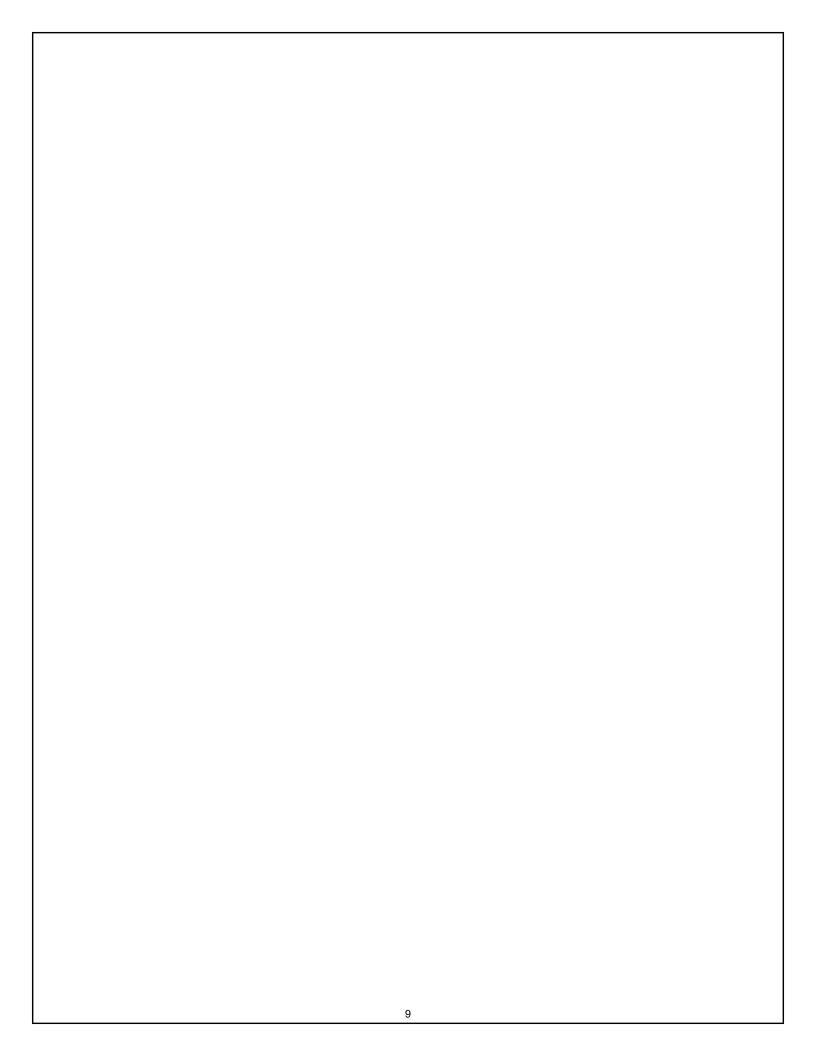

2.	Project Description (3 page limit)
	Describe the equipment and technology to be purchased or upgraded. Include the purpose for purchasing said equipment/goods, where such goods will be utilized and stored, whether installation will be needed, required upkeep or maintenance(if any), training or technical assistance needs, applicable procurement rules (please cite rule if required to secure a vendor) or name of vendor or contractor (if already identified, include reason for selection), expected benefits/outcomes for school district and/or community and any other info that may be helpful to justify the funding request.
