

Attachment B. Application Form for ILF Project Funding

PROJECT OVERVIEW

PROJECT TITLE:

PROJECT SPONSOR:

LANDOWNER, IF NOT SPONSOR:

OTHER PROJECT PARTNERS:

PROJECT MANAGER: *Name/contact information*

PROJECT DESCRIPTION: *1-2 sentence statement of what the project will accomplish.*

PROJECT LOCATION: *List latitude/longitude in decimal degrees. Attach a map indicating where the proposed work will occur and shapefiles, if available. Include locations of relevant ecological resources on map(s). Maps should indicate whether or not the project will be on and/or abutting land that is permanently protected.*

DETERMINATION OF CREDITS: *Please provide the information on resource type and quantity as indicated in Table 1 below. Add new rows to the table as needed to address all types of aquatic resources present. Land preservation projects should also include upland areas. This will enable the review team to assess the potential mitigation credits that the project could generate.*

Table 1. Quantification of resources that will be permanently protected or restored

| | Resource Type ¹ | Area |
|--------|--|--------------------|
| Area 1 | <i>Example wetland: PSS1- Palustrine Scrub Shrub</i> | <i>Acres</i> |
| Area 2 | <i>Example stream: R3UB1- Riverine Unconsolidated Bottom</i> | <i>Linear feet</i> |
| Area 3 | <i>Example upland</i> | <i>Acres</i> |
| | | |
| | | |
| | | |

¹ In describing and mapping resource types, please use the general categories outlined in the Cowardin wetland classification system available online at <https://www.fws.gov/wetlands/documents/Wetlands-and-Deepwater-Habitats-Classification-chart.pdf>

BUDGET: *In addition to the budget summary below, attach a detailed project budget, identifying all costs associated with the project, including equipment/supplies, personnel, baseline conditions assessment, planting, monitoring, contingency funds that are needed to complete the project and that have already been spent on the project to date. Please divide the budget into the following phases as they apply to the proposed project: site selection, land acquisition, project design, project construction, and project monitoring. Supporting documentation for cost estimates may be provided as attachments.*

Table 2. Project budget summary

| Total Project Cost | ILF Funds Requested | Non-ILF Funds | % of budget ILF funds | Source and Status of Non-ILF funds |
|--------------------|---------------------|---------------|-----------------------|------------------------------------|
| | | | | |

TIMELINE: *Outline the expected timeline for work needed to complete the project from its current status.*

*******ADDITIONAL QUESTIONS FOR RESTORATION PROJECTS*******

PERMITTING: *List any permits or other regulatory review required for the project and indicate the status or proposed timing of permit applications and approvals.*

Table 3. Required permits and reviews and timeline for approval

| Permit Type | Issuing Agency | Permit Applicant | Submission Date | Anticipated Approval Date |
|-------------|----------------|------------------|-----------------|---------------------------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |

Email completed form to Elisabeth Cianciola, Acting ILF Program Administrator at elisabeth.cianciola@mass.gov.
