Introducing MRVP and CHAMP

On September 27, 2023, MRVP and Centralized Screening will be going live in CHAMP. This means that all lists will be ranked according to "Verified Priority" and LHAs with MRVP Mobile or Project Based Vouchers will begin using CHAMP to administer their lists.   The sessions listed below will cover the new MRVP functionality available in CHAMP. All LHA staff that interact with MRVP or CHAMP should attend!   Please register using one of the links below.

CHAMP New Hire classes

Note: We have historically tried to limit the time needed for CHAMP Training to two training sessions, but as the program gets more developed with new and richer features, it has expanded to 3 sessions. While these trainings are geared toward new users, all users are welcome and encouraged to attend as a refresher and to reinforce their CHAMP skills. New features will be discussed.

More experienced users can pick and choose which class they want to join in on, for instance if you need a refresher on pulling lists and sending screening packages, then simply attend a day 2 session.
