## Presentation by Stephen Coleman, Auburn Fire Chief

Photo by Adam Menard, Auburn Town Planner

### Rainfall Events

- October 4-7, 2005 brought Tropical Storm Tammy & a sub-tropical depression merged with a cold front to produce torrential rains over interior New England.
- This 3 day event placed a strain on resources. Such as Fire and DPW with street flooding and pumping basements of both residential and commercial buildings.
- Areas of town most prone to flooding are:
  - Rockland Road at Brook Street
  - Holstrom Court area
  - High School Football field

Working Lunch at the Community Resilience Building Workshop
