Technical Screening Audit Forms/Checklists

Form Disclaimer

Developed by DEP, BWSC with input from the LSPA-Loss Prevention Committee, the Technical Screening Audit forms/checklists are used by the DEP in reviewing MCP submittals and may not be used, cited, or relied upon by any other party or for any other purpose.

These checklists are not a comprehensive list of MCP requirements, and MCP submittals reviewed by the DEP may contain errors that are not identified on the checklist.

Completion of the checklist by DEP staff or contractors does not constitute a final decision by the DEP and the DEP reserves the right to make findings of fact contrary to the information recorded on these checklists if the DEP determines that such findings are warranted by reliable data.

The information recorded on these checklists does not create any legal rights in any party, and does not relieve a party of obligations that exist pursuant to M.G.L. c. 21E, 310 CMR 40.0000, or other applicable laws and regulations.

Nothing in the checklists shall be construed as, or operate as, barring, diminishing, or in any way affecting any legal or equitable right of the DEP.
