Individuals with Autism, Smith-

Syndrome**

The Honorable Karen E. Spilka, Chair

State House, Room 212

The Honorable Brian S. Dempsey, Chair
House Committee on Ways and Means
State House, Room 243
Boston, MA 02133

Dear Chairwoman Spilka and Chairman Dempsey:

Line item 5920-3020 of Chapter 165 of the Acts of 2016 requires that the "...department shall submit a quarterly report to the house and senate committees on ways and means on the number of individuals served, type of services provided and the cost per individual...".

The Department of Developmental Services has been working diligently to implement the expanded eligibility requirements which were signed into Law in August 2014. The Department has designed a number of new materials including new applications, fact sheets, and assessment processes to support this expansion. To support the eligibility changes, DDS has trained its Regional Eligibility Teams in these new activities. Most importantly, the Department of Developmental Services has new regulations, pending promulgation, that provide the administrative framework for the statute.

As of 9/30/16, 890 adults (18+) have been found DDS eligible with 855 as adult Autism eligible and 5 adult Prader Willi eligible. Many of these individuals are currently still in school, are exploring DDS services or are not requesting DDS services at this time. 410 are receiving a total of 1,243 services broken out on the following chart, with many receiving more than one service. To date, the average Fy17 cost per individual is \$19,011.

Sincerely,

Elin M. Howe
Commissioner
