

CONTINUING MEDICAL EDUCATION ON IMPLICIT BIAS IN HEALTHCARE

Pursuant to Policy 2021-04, beginning June 1, 2022, the Massachusetts Board of Registration in Medicine will require that applicants for initial physician licensure and licensees renewing physician licensure complete a continuing medical education requirement of 2.00 credits on the topic of implicit bias in healthcare. Please see below list of available courses, which will be updated when courses are made available.

Unconscious Bias in Medicine
