

National Foster Care Month Celebration

May is National Foster Care Month and in celebration of the occasion, Boston Children's Hospital will be holding an online event in collaboration with the Foster MA campaign to help recruit and retain foster and adoptive parents in Massachusetts. This free event is open to anyone who is interested in learning more about becoming a foster or adoptive parent. Current foster and adoptive parents are also welcome.

There will be a speaking program with the opportunity to talk directly to foster parents and Foster MA staff to follow.
