Beartown State Forest

Welcome to DCR's Beartown State Forest

Home to the pristine Benedict Pond and a section of the Appalachian Trail, Beartown offers 12,000 acres of park land and is primarily used for fresh water swimming, camping and hiking.

Beartown is part of the Massachusetts Department of Conservation and Recreation (DCR), an agency of the Executive Office of Energy and Environmental Affairs.

DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources. To learn about DCR and to discover more parks and recreational opportunities within the Massachusetts state parks, visit www.mass.gov/dcr.
