I'm so glad you're doing this! I am assuming you've seen the Climate Vulnerability Assessment prepared by Woods Hole Group a few years ago?

18:33:28 From Cat Pedemonti, MyRWA to Everyone:
I agree with Nancy, dogs in the reservation is a major threat to the wildlife, in particular listed species

18:33:50 From NORMAN HYETT to Everyone:
Permanent toilets, year-round staff to preserve work accomplished , to develop and built new projects, prevent dogs from being in park, and stop development around the marsh.

18:34:13 From Karyl Stoia to Everyone:
You get pictures of the dogs chasing deer & owner?

I'd encourage DCR to work with MBTA to add signage at Suffolk Downs station about the marsh and

directions to it

19:06:53 From Cindy Baxter to Everyone:

Thank you for spending time with us! We appreciate the DCR's support of the marsh and our community!
