SO YOU WANT TO BIKE TO SCHOOL?

1 Plan your route

- [x] Find streets with sidewalks, bike lanes, paths, and crosswalks.

- [x] Steer clear of busy streets and large intersections.

2 Test it out

- [x] Review your route with your family and give it a test run.
- [x] Time how long it takes to make the trip.

3 Make it fun

- [x] See if any friends who live along your route can join you.
- [x] Track your progress! How many days per month do you walk/bike to school?
