Dear [DPU Representative's Name],

I appreciate your time reviewing our tariff submission and providing feedback. As per your instructions, we have made the necessary revisions to ensure compliance. Please find the updated tariff details enclosed.

The following corrections have been made:

1. ****Cover Sheet**** – Our company contact information and DPU Certificate number (25HG18) have been added.
2. ****List of Charges**** – A comprehensive breakdown of all possible charges a customer may face is now included.
3. ****Time & Mileage Clarifications**** – The tariff now explicitly defines when billing time starts and stops, and outlines any applicable mileage-related charges.

Additionally, we have submitted our application for the required vehicle decal to the RMV.

I kindly request your review and approval of our revised tariff. Should any further modifications be necessary, please let me know at your earliest convenience.

Thank you for your time and assistance. Sincerely,
