Based on above calculations, the percentage is __-8.837%

On 1/1/12, The Company elected to become an 'S' corporation and is no longer subject to corporation income taxes. As a result of this, an adjustment was required to their deferred tax liability and was recorded on page 10, line 13. This amount should not be considered in the calculation of their net utility income for the year.

Re: Annual Return for Year Ended December 31, 2012

Blackstone Gas Company

Dear Mr. Hurley:

We have received Blackstone Gas Company's request for an additional 14-day extension to June 14, 2013, for filing of the Annual Return for the year ended December 31, 2012. Previously, the Department had granted Blackstone Gas Company two 30-day filing extensions to April 30, 2013 and May 31, 2013.

According to Blackstone Gas Company's request, this additional 14-day extension is needed because it is waiting for a ruling from the Massachusetts Department of Revenue (DOR) regarding its corporate tax status as a result of the company's election last year for status as an S corporation. Though the tax return is already prepared and ready for submission, an adjustment may be necessary depending on DOR's decision.

Based on a review of your request, the Rates and Revenue Requirements Division of the Department of Public Utilities grants the request for an additional 14-day extension to June 14, 2013 for the Blackstone Gas Company to file the Annual Return for the year ended December 31, 2013.

Sincerely,

Keven M. Brannell.

SALES FOR RESALE (Account 447)

- Report sales during year to other electric utilities and to cities or other public authorities for distribution to ultimate consumers.
- 2. Provide subheadings and classify sales as to (1) Associated Utilities, (2) Nonassociated Utilities, (3) Municipalities, (4) R.E.A. Cooperatives, and (5) Other Public Authorities. For each sale designate statistical classification in column (b), thus: firm power, FP; dump or surplus power, DP; other, G,
- and place an "x" in column (c) if sale involves export across a state line.
- 3. Report separately firm, dump, and other power sold to the same utility. Describe the nature of any sales classified as Other Power, column (b).
- 4. If delivery is made at a substation indicate ownership in column (e), thus: respondent owned or leased, RS; customer owned or leased, CS.
