

Settlement Agreement and Consent Order

Block, INC.

The States, listed in “Appendix A” attached to this Settlement Agreement and Consent Order (hereinafter referred to as the “Agreement” or “Order”), individually, a “Participating State,” and collectively, the “Participating States”, have each agreed, through their respective state money transmission regulatory agencies, to negotiate and enter into this Agreement.

Whereas, Block, Inc. (f/k/a Square, Inc.) (“Block”) is a Delaware corporation with its principal executive office in Oakland, California and assigned NMLS identifier number of 942933. Block is licensed as a money transmitter under the respective laws of each Participating State. Block operates the funds transfer platform called “Cash App.”

Whereas, the state money transmission regulators of the Participating States (hereinafter referred to individually as a “State Money Transmission Regulator,” and collectively as the “State Money Transmission Regulators”) are respective members of the Conference of State Bank Supervisors (“CSBS”) and/or the Money Transmitter Regulators Association (“MTRA”) and intend to address enforcement concerns with Block in a collective and coordinated manner, working through the Multi-State MSB Examination Taskforce (“MMET”). The State Money Transmission Regulators and Block are collectively referred to herein as the (“Parties”).

Whereas, on or about May 15, 2023, the State Money Transmission Regulators commenced a multi-state examination (the “Multi-State Examination”) of Block covering the period of January 1, 2021, through March 31, 2023, to determine Block’s compliance with applicable State and Federal laws and regulations. The Multi-State Examination was conducted by the State Money Transmission Regulators of California, Colorado, Kentucky, Massachusetts, New Hampshire, Ohio, Texas, and Washington. The Multi-State Examination of Block was conducted pursuant to their respective statutory authorities, and in accordance with the protocols established by the Protocol for Performing Multi-State Examinations as well as the Nationwide Cooperative Agreement for MSB Supervision (collectively the “CSBS/MTRA Protocol and Agreement”). The Joint Multi-State Report of Examination (“ROE”) was issued on November 6, 2023, and identified findings related to the adequacy of Block’s Bank Secrecy Act/Anti-Money Laundering Program (“AML Program”), including certain anti-money laundering matters that have allegedly occurred over this and past examination cycles. On or about December 6, 2023, Block provided its response to the ROE, including a summary of new controls put into place during and following the exam period to enhance its AML Program and further planned enhancements. Block has worked cooperatively with the State Money Transmission Regulators throughout the Multi-State Examination.

Whereas, Block enters into this Agreement solely for the purpose of resolving disputes with the State Money Transmission Regulators, including concerning the conduct alleged in the ROE. In entering this Agreement, Block neither admits nor denies any wrongdoing, allegations or implications of fact, and neither admits nor denies any violations of applicable laws, regulations, or rules governing the conduct and operation of its money transmission related business, including related to its AML Program. Block acknowledges that the State Money Transmission Regulators have and maintain jurisdiction over the underlying matters, including all matters referred to in these recitals, and therefore have the authority to fully resolve the matter.

Whereas, the State Money Transmission Regulators have legal authority to initiate administrative actions based on the conduct alleged in the ROE.

Whereas, the intention of the State Money Transmission Regulators in issuing this Order is to resolve their concerns regarding Block’s AML Program and the violations identified in the ROE and in these recitals, and to

close the ROE with no further investigation or action needed. To that end, the State Money Transmission Regulators have agreed to the release of certain claims and remedies as provided for in this Agreement. The State Money Transmission Regulators reserve all of their rights, duties, and authority to enforce all statutes, rules, and regulations under their respective jurisdictions against Block regarding any licensable activities outside the scope of this Order. Additionally, a State Money Transmission Regulator may consider this Order and the facts set forth herein in connection with, and in deciding upon, any examination, action, or proceeding under the jurisdiction of that State Money Transmission Regulator, if the basis of such examination, action, or proceeding is not a direct result of the specific activity alleged in the ROE. This Order may, if relevant to such examination, action, or proceeding, be admitted into evidence in any matter before a State Money Transmission Regulator.

Whereas, Block hereby knowingly, willingly, voluntarily, and irrevocably consents to the entry of this Order, which is being entered pursuant to the authority vested in each State Money Transmission Regulator and agrees that it understands all of the terms and conditions contained herein. Block acknowledges that it has full knowledge of its rights to notice and a hearing pursuant to the laws of the respective Participating States. By voluntarily entering into this Agreement, Block waives any right to notice and a hearing, and review of such hearing, and also herein waives all rights to any other judicial appeal concerning the terms, conditions, and related obligations set forth in this Agreement. However, this waiver shall not be interpreted to waive any subsequent rights available to Block, including, but not limited to, any right to hearing and subsequent appeal, in relation to any disagreement that may arise amongst the Parties around compliance with or alleged violations involving this Agreement, and any term, condition, or related obligation therein. Block further acknowledges that it has had an opportunity to consult with independent legal counsel in connection with its waiver of rights and with the negotiation and execution of this Agreement.

Whereas, Block represents that the person signing below is authorized to execute this Agreement and to legally bind Block.

Whereas, in that the Parties have had the opportunity to draft, review, and edit the language of this Agreement, the Parties agree that no presumption for or against any party arising out of drafting all or any part of this Agreement will be applied in any action relating to, connected to, or involving this Agreement.

Whereas, Block acknowledges that the State Money Transmission Regulators are relying, in part, upon Block's representations and warranties stated herein in making their determinations in this matter. Block further acknowledges that the State Money Transmission Regulators may revoke this Order and the State Money Transmission Regulators may pursue any and all remedies available under the law against Block, if the State Money Transmission Regulators later find that Block made material misrepresentations to or withheld material information from the State Money Transmission Regulators.

Now, therefore, this Agreement having been negotiated by the Parties in order to resolve the issues alleged herein and, in the ROE, without incurring the costs, inconvenience, and delays associated with protracted administrative and judicial proceedings, it is by the State Money Transmission Regulators listed below, as coordinated through the CSBS/MTRA Protocol and Agreement, hereby ordered:

I. Jurisdiction

The State Money Transmission Regulators have jurisdiction over the subject matter of this Order and may enforce the terms of this Order.

II. Agreement Governance

A. Executive Committee. An Executive Committee comprised of representatives of the Participating States ("Executive Committee") shall serve as the point of contact for Block and a qualified,

independent, third-party auditor (“Independent Consultant”) and the Participating States and shall receive reports and communications from Block and the Independent Consultant. The initial member states of the Executive Committee are the State Money Transmission Regulators of Arkansas, California, Massachusetts, Texas, and Washington. The Executive Committee may substitute representation as necessary.

B. Compliance Management Committee. Block shall appoint a committee to assist with the administration of this Agreement (“Compliance Management Committee”). The Compliance Management Committee shall be comprised of Block representatives with the appropriate knowledge, familiarity, and authority to monitor compliance with the provisions and obligations of this Order and shall have broad representation across the key divisions responsible for developing, managing, monitoring, and maintaining the AML Program. The Compliance Management Committee shall monitor and oversee Block’s compliance with the provisions of this Order and liaise with the Executive Committee. The Compliance Management Committee shall meet at least quarterly, until the later of the Executive Committee receiving a copy of the Independent Consultant’s Validation Report, as that term and concept is provided for in paragraph II.D.2.a, or for a total of eight (8) quarters from the Effective Date of this Order, and at which point thereafter the Compliance Management Committee may be dissolved at the sole discretion of Block. The Compliance Management Committee shall maintain minutes of its meetings.

C. Role of Board of Directors. The Board of Directors of Block (the “Board”) shall have ultimate responsibility for overseeing Block’s compliance with this Order, including (1) authorizing whatever actions are necessary for Block to fully comply with the Order, (2) requiring timely reporting by the Compliance Management Committee to the Board on the status of compliance with the obligations set forth in the Order, (3) overseeing the activities of the Compliance Management Committee, and (4) providing strategic direction related to compliance with the Order. To meet the obligation described in this paragraph, the following shall apply:

1. In addition to the reporting identified below, within thirty (30) calendar days after each Compliance Management Committee meeting, the Compliance Management Committee shall submit to the Board, or a duly authorized committee thereof, a written progress report (collectively “Board Reports”), which should set forth at a minimum (1) the current status of Block’s compliance with the Order, and (2) a description of any corrective actions being taken to achieve compliance with this Order, the status of that corrective action, and the party or parties responsible for the completion of outstanding corrective actions; and
2. The Board, or a duly authorized committee thereof, shall meet with the Compliance Management Committee as needed, but, at a minimum, at least quarterly, so as to ensure compliance with the Order and that proper direction related to compliance with the Order is being provided.
3. The Executive Committee may request copies of any and all Board Reports and Block shall furnish such Board Reports to the Executive Committee.

D. Independent Consultant.

1. **Review and Report.** The Independent Consultant shall independently review Block’s AML Program and provide a copy of the Independent Consultant’s Assessment Report (“Assessment Report”) to Block and the Executive Committee within nine (9) months of this Agreement’s Effective Date. Within forty-five (45) calendar days after receipt of the Assessment Report, the Executive Committee may furnish written questions to the

Independent Consultant related to the findings in the Assessment Report, with a copy of those questions provided to Block. The Independent Consultant shall develop and submit to the Executive Committee a written response to those questions, with a copy to Block, within fifteen (15) calendar days of receipt of such questions. The Assessment Report will review and report on:

a) The comprehensiveness and adequacy of Block's AML Program under the applicable laws, rules, and regulations of the Currency and Foreign Transactions Reporting Act of 1970, its amendments, and the other statutes relating to the subject matter of that Act, as specifically administered by the U.S. Department of the Treasury's Financial Crimes Enforcement Network, which are known collectively as the Bank Secrecy Act ("BSA"), insofar as each of the foregoing provisions are applicable to Block; and

b) Any determination that corrective measures are necessary to ensure Block has developed, implemented, and maintains an effective AML Program as provided for under 31 CFR § 1022.210 along with the relative priority of each measure. Instances in which a specific component of the AML Program is deemed by the Independent Consultant to fail to meet the effectiveness standard set out in 31 CFR § 1022.210(a), as informed by 31 CFR § 1022.210(b), (c), and (d), shall be considered as requiring corrective measures.

2. **Corrective Action.** If the Independent Consultant identifies in the Assessment Report that any corrective measures are necessary, Block will develop a plan to address the identified concerns ("Corrective Action Plan"). The Corrective Action Plan must consider and appropriately incorporate the relative priority of each corrective measure as determined by the Independent Consultant and documented in the Assessment Report. The Corrective Action Plan must be formally approved by the Board, or a duly authorized committee thereof. The Compliance Management Committee must provide the Corrective Action Plan to the Executive Committee within ninety (90) calendar days after the Assessment Report is issued, and Block shall immediately begin implementing the Corrective Action Plan. Block may update the Corrective Action Plan, or any updated Correction Action Plan, as needed, with such changes permitted based on a reasonable basis that may arise during the implementation of the Corrective Action Plan. Any such updates to a Corrective Action Plan shall be immediately provided to the Executive Committee.

a) **Validation.** Upon Block's determination that the Corrective Action Plan has been completed and upon notification to the Executive Committee, the Independent Consultant will conduct a validation assessment of all corrective measures in the Corrective Action Plan and shall document its findings in a validation report ("Validation Report"), and provide a copy of that Validation Report to Block and the Executive Committee within ten (10) calendar days. Within forty-five (45) calendar days after receipt of a Validation Report, the Executive Committee may furnish written questions to the Independent Consultant related to the findings in that Validation Report, with a copy of those questions provided to Block. The Independent Consultant shall develop and submit to the Executive Committee a written response to those questions, with a copy to Block, within fifteen (15) calendar days of receipt of such questions.

b) **Updated Corrective Action Plan.** Block shall, if applicable, within sixty (60) calendar days of the date of the Validation Report, provide an updated Corrective Action Plan to the Executive Committee that addresses those specific components of the AML Program deemed to continue to fail to meet the effectiveness standard set out in 31 CFR §

1022.210(a), as informed by 31 CFR § 1022.210(b), (c), and (d), and shall be subject to the requirements of this section.

- c) **Timeline for Corrective Action.** A Corrective Action Plan, inclusive of any applicable updated Corrective Action Plan, shall be completed within twelve (12) months. To the extent it is expected to take more than twelve (12) months to complete a Corrective Action Plan, then Block may seek an extension of the Corrective Action Plan (an “Extended Corrective Action Plan”). The basis and need for an Extended Corrective Action Plan shall be reviewed and documented by the Independent Consultant. If the Independent Consultant determines that there is no basis or need for any Extended Corrective Action Plan, then the completion of the Corrective Action Plan shall take no more than twelve (12) months. Any documentation related to this provision shall be provided by the Independent Consultant to Block and the Executive Committee.
3. **Progress Reports by the Independent Consultant.** Based on a request of the Executive Committee, and on a quarterly basis at a minimum, the Independent Consultant shall develop and submit a written progress report to Block and the Executive Committee (a “Progress Report”) within ten (10) calendar days of such request or after the end of an applicable quarter. Within twenty (20) calendar days after receipt of a Progress Report, the Executive Committee may furnish written questions to the Independent Consultant related to the content provided for in that Progress Report, with a copy of those questions provided to Block. The Independent Consultant shall develop and submit to the Executive Committee a written response to those questions, with a copy to Block, within fifteen (15) calendar days of receipt of such questions. An Independent Consultant’s Progress Report shall provide, at a minimum, the Independent Consultant’s project management tracking document as well as any supporting information needed to understand the current status, at the time of the specific report, related to the Independent Consultant’s role, responsibilities, and functions provided for in this Order.

5. **Meetings.** The Compliance Management Committee shall meet with the Executive Committee quarterly, with the first regularly scheduled meeting to occur within thirty (30) calendar days of the Compliance Management Committee’s receipt of the Assessment Report. At any time, the Executive Committee may request that the Compliance Management Committee schedule and hold a meeting with the Executive Committee, Independent Consultant and Compliance Management Committee. Upon such a request, the Compliance Management Committee will schedule and hold such meeting at a mutually agreed upon time.
6. **Work Product.** The Executive Committee may request and shall be furnished any and all documents, information, records, reports, and work papers produced by the Independent Consultant as a direct result of the duties imposed upon the Independent Consultant as described in this Order.
7. **Block’s Role and Cooperation.** Block agrees to fully cooperate with the Independent

Consultant and support its work by, at minimum, providing the Independent Consultant with access to any and all relevant personnel, third-party service providers, facilities, files, information, reports, and records.

8. **Replacement of Independent Consultant.** In the event that an Independent Consultant is no longer willing or able to continue to act as the Independent Consultant, the Compliance Management Committee shall notify the Executive Committee within ten (10) calendar days of the Compliance Management Committee's becoming aware of the need to replace the Independent Consultant. Upon selection of a new Independent Consultant (a "Replacement Independent Consultant"), Block shall notify the Executive Committee of its selection within ten (10) calendar days of making that selection. Block must enter into an engagement with the Replacement Independent Consultant within thirty (30) calendar days of notification of Block's selection to the Executive Committee. A Replacement Independent Consultant shall be qualified, independent, and be an unaffiliated third-party, and shall have all the same rights, powers, duties, and obligations provided for under this Order.

Should a State Money Transmission Regulator elect to apply its allocation of administrative penalties in such an alternative manner, solely for the purpose of ensuring the effective administration of payments pursuant to the terms of this Agreement, that State Money Transmission Regulator shall notify the MMET in writing of such election on or before the Effective Date of this Agreement.

The Parties further acknowledge and agree that nothing contained in this Order shall operate to limit a State Money Transmission Regulator's ability to assist any other Local, State or Federal Agency, Department or Office with any investigation or prosecution, whether administrative, civil or criminal, initiated by any such Agency, Department or Office against Block or any other person based upon any of the activities alleged in these matters or otherwise.
