ACTION: Motion by A. Young, seconded by _____, and the Board voted to conditionally approve the application subject to successful inspection of the proposed pharmacy, review of policies & procedures related prescription drop-off as well as a review by Board inspectors of security provisions for prescription medications at the drop-off location. Time was limited and no action was taken on this topic.

2. Chapter 244 Section 4 FAQs

Board Counsel H. Engman has reviewed the fact sheet and confirms that this applies to physician scripts; schedule II narcotic scripts from out-of-state mid-level providers are not acceptable under this section. These will be edited and posted on the Board website.

Deferred to later meeting.
