Introduction and Procedural History of this Appeal

The claimant appeals a decision by a review examiner of the Department of Unemployment Assistance (DUA) to deny the claimant benefits. We review, pursuant to our authority under G.L. c. 151A, § 41, and affirm.

On April 8, 2021, the agency initially determined that the claimant was not entitled to unemployment benefits. The claimant appealed and participated in the hearing. In a decision rendered on July 17, 2021, the review examiner affirmed the agency determination, concluding that the claimant was not available for full-time work and, thus, was disqualified under G.L. c. 151A, § 24(b). The Board accepted the claimant's application for review.

Ruling of the Board

After considering the recorded testimony and evidence from the hearing, the review examiner's decision, and the claimant's appeal, we conclude that the review examiner's decision is based on substantial evidence and is free from any error of law affecting substantive rights.

The review examiner's decision is affirmed. The claimant is denied benefits for the week beginning May 31, 2020, and for subsequent weeks, until she meets the requirements of G.L. c. 151A, § 24(b).

Because the record indicates that the claimant may have suffered a loss of work as a direct result of the COVID-19 public health emergency, she may be eligible to file a PUA claim in Massachusetts.
