Introduction and Procedural History of this Appeal

The claimant appeals a decision by a review examiner of the Department of Unemployment Assistance (DUA) to deny the claimant unemployment benefits beginning April 20, 2025, until the date the claimant completes her Reemployment Services and Eligibility Assessment (RESEA) review (RESEA review). We review, pursuant to our authority under G.L. c. 151A, § 41, and we affirm in part and reverse in part.

The claimant filed a claim for benefits, effective December 29, 2024, and was found to be eligible. However, on March 24, 2025, the agency determined that the claimant was not entitled to benefits beginning March 16, 2025. The claimant appealed and attended the hearing. In a decision rendered on April 19, 2025, the review examiner modified the agency determination, concluding that the claimant had good cause for her failure to complete a the RESEA review by the March 21, 2025, deadline date, but that the claimant had not established that she had completed the review as of the date of the hearing on April 18, 2025. Thus, the claimant was not disqualified from March 16, 2025, to the week ending April 19, 2025, but she was disqualified beginning April 20, 2025, until the date she completes the review pursuant to G.L. c. 151A, § 25(a). The Board accepted the claimant's application for review.

Ruling of the Board

After considering the recorded testimony and evidence from the hearing, the review examiner's decision, and the claimant's appeal, we conclude that the review examiner's decision is based on substantial evidence and is free from any error of law affecting substantive rights.

However, a review of the current information in the Department of Career Services' Massachusetts One Stop Employment System (MOSES) shows that the claimant completed her RESEA Review on April 24, 2025. Having thus completed her RESEA obligations, we have placed an end date of April 19, 2025, on the disqualification.
