Introduction and Procedural History of this Appeal

The claimant appeals a decision by a review examiner of the Department of Unemployment Assistance (DUA) to deny Pandemic Unemployment Assistance (PUA) benefits. We review, pursuant to our authority under G.L. c. 151A, § 41, and affirm.

The claimant filed a claim for PUA benefits with the DUA, effective February 23, 2020, which was denied in a determination issued on October 19, 2021. The claimant appealed the determination to the DUA hearings department. Following a hearing on the merits, the review examiner affirmed the agency's initial determination in a decision rendered on June 16, 2021, concluding that the claimant had failed to show that he had a job offer to work in Massachusetts that was rescinded due to the COVID-19 public health emergency, and, thus, the claimant was not eligible for PUA benefits in Massachusetts. We accepted the claimant's application for review.

Ruling of the Board

After considering the recorded testimony and evidence from the hearing, the review examiner's decision, and the claimant's appeal, we conclude that the review examiner's decision is based on substantial evidence and is free from any error of law affecting substantive rights.

The review examiner's decision is affirmed. The claimant is not entitled to receive PUA benefits beginning February 23, 2020, and thereafter. The claimant may be entitled to PUA benefits in the state of Delaware.
