**Proposed Revision to Board Policy 19-05**

Vita P. Berg, General Counsel, informed the Board that this Policy has come before the Board several times in the past for revisions to streamline the process of approving licensing applications.

Currently, under this Policy the Board votes on licensing applications that do not need review by the Licensing Committee. The proposed revisions would eliminate the need for the Board vote and authorize the Executive Director to approve applications for initial full, limited and temporary licensure that do not raise questions regarding an applicant's qualifications, competency, or good moral character; those issues still require review by the Licensing Committee. Additionally, the Board would still review and vote on any application that is reviewed by the Licensing Committee.
