RULE 1 - Mileage Calculation

Every reasonable effort will be made to determine the correct mileage between the pick-up point and delivery point by the shortest practical truck routes. Where there is more than one desirable route with differing mileage, the shipper will be charged for the route with the least number of miles. Mileage will be determined using **PC MILES AND MILES**, Version 7.9.

Packing and unpacking services are available upon request. These services will be billed at the following rates:

- **Packing:** \$15.00 per man-hour
- **Unpacking:** \$13.50 per man-hour

The cost will depend on the complexity and volume of items to be packed or unpacked.

RULE 3 - Minimum Charge

Unless otherwise specifically provided for in this pricing structure, all shipments weighing less than 500 pounds will be charged at the 500-pound rate.

ITEM 4 - PAYMENTS

A. Payment Terms

Payment for moving services is due at the completion of the move. We accept the following methods of payment:

- Cash
- Check
- Credit Card (Visa, MasterCard, American Express, Discover)

B. Deposits

For moves requiring a large number of movers, or if the move is scheduled during peak times (e.g., weekends, holidays), a **deposit** of **25%** of the estimated total charge may be required at the time of booking to secure the reservation. The deposit will be applied to the total cost of the move.

C. Final Payment

Final payment is due upon completion of the move. The remaining balance, after applying any deposit, is due at the end of the move. If payment is not made at that time, a **late fee of 1.5% per month** (18% annual percentage rate) will apply to any outstanding balance.

D. Cancellation and Refund Policy

Cancellations made **48 hours** or more before the scheduled move date will receive a full refund of any deposit paid, minus a **\$50 cancellation fee**.

Cancellations made **less than 48 hours** before the scheduled move date will forfeit the deposit.

ITEM 5 - REPLACEMENT VALUE PROTECTION

At Boston Low Price Movers, we take great care to ensure your belongings are transported safely. However, in the rare event that damage or loss occurs while in our care, we offer **Replacement Value Protection** for added peace of mind. This coverage is designed to compensate you for the replacement cost of any damaged or lost items, as outlined below. Replacement Value Protection is available upon request and must be agreed upon in advance.

A. Coverage Overview

Replacement Value Protection guarantees that you will be compensated for any loss or damage to your belongings based on their replacement cost, subject to the conditions outlined. This coverage is optional, and the customer must choose and confirm their desired level of protection before the move.

B. Options for Replacement Value Protection

Customers may select one of the following protection options:

- **Option A - \$1,500 Deductible**
The customer pays 20¢ per \$100 of the declared value, and is responsible for the first \$1,500 of any claim.
- **Option B - \$300 Deductible**
The customer pays 50¢ per \$100 of the declared value, and is responsible for the first \$300 of any claim.
- **Option C - No Deductible**
The customer pays 75¢ per \$100 of the declared value, with no deductible applied.

C. Coverage Limitations

Replacement Value Protection does not cover:

- Items of minimal market value, such as photographs, documents, heirlooms, and collectibles.
- Items damaged due to inherent defects or improper packing by the customer, or items stored in non-moving-related locations (e.g., attics, garages).
- Loss or damage caused by extreme temperatures, natural disasters, or pests.
- Cash, securities, and high-value items (unless specifically agreed upon in writing before the move).

D. Claims Process

If damage or loss occurs, a claim must be filed within 30 days of the completion of the move. All claims will be processed promptly. Depending on the chosen protection option, Boston Low Price Movers will either repair, replace, or reimburse the customer for the damaged item(s) based on the replacement value.

Liability Limitations:

Boston Low Price Movers' liability is limited to the declared or released value of the shipment, or 100% of the actual repair or replacement cost, whichever is lower. This protection provides customers with an added layer of security and ensures that your belongings are covered throughout the moving process.
