MEMORANDUM

TO: Boston Retirement Board
FROM: John W. Parsons, Esq., Executive Director
RE: Appropriation for Fiscal Year 2022 (non-teachers)
DATE: November 20, 2020

Required Fiscal Year 2022 Appropriation: **\$365,226,251**

This Commission is hereby furnishing you with the amount to be appropriated for your retirement system for Fiscal Year 2022 which commences July 1, 2021.

Attached please find summary information based on the present funding schedule for your system and the portion of the Fiscal Year 2022 appropriation to be paid by each of the governmental units within your system. Once again, we used the Early Retirement Incentive (ERI) bases determined previously, however the amortization period for each was extended to FY27. The ERI column also includes adjustments made due to the 2010 legislation regarding Boston teachers (credits for the crossover payment and additional FY11 payment) and the 2009 legislation regarding retired sheriffs of Suffolk County.

The current schedule is due to be updated by Fiscal Year 2023.

If you have any questions, please contact PERAC's Actuary, John Boorack, at (617) 666-4446 Extension 935.

The Total Appropriation column shown above is in accordance with your current funding schedule and the scheduled payment date(s) in that schedule. Whenever payments are made after the scheduled date(s), the total appropriation should be revised to reflect interest at the rate assumed in the most recent actuarial valuation. Payments should be made before the end of the fiscal year.

For illustration, we have shown the amount to be transferred from the Pension Reserve Fund to the Pension Fund to meet the estimated Cost of Benefits for each year. If there are sufficient assets in the Pension Fund to meet the Cost of Benefits, this transfer is optional.
