Application Version/ Release Date	MAJOR CHANGES
Ver. PP 1.1.30(4-15-21)	<i>To submit a question to EEC , please use the BRC Support Tool</i>
	FEATURE(S)
	<ul style="list-style-type: none">• None
	USER INTERFACE REFINEMENTS
	<ul style="list-style-type: none">• Accept Country Code From LEAD API• PROD: Program Portal Submission with Incorrect Date for partial Submission• Mass.gov users are not allowed to change their password so we should not be seeing the click forgot password message• Sort direction arrows on Program Portal listing page should show the correct direction• Program Portal/LEAD – Lived out of State in the last 5 Years-not accepting any country data• Partial Resubmissions should have been Suitability Transfers• OOS Address Fields Not Clearing after a Save
	FIXES
	<ul style="list-style-type: none">• Country is now sent with LEAD consent form to the Navigator• In conjunction with Viewer, submission dates for partials are the exact date of the submission• Mass.gov users Password is network password and cannot be changed in the Navigator.• When ascending and descending order, the correct arrow appears• Data is now populated in all fields• Due to code looking at a wrong field, some submissions were incorrectly created.• Data remained in these fields for a subsequent OOS address but now the field is clear.
