The BRC Navigator Program Portal allows users to start an application that automatically saves prior to submission. Beginning February 5, 2026, any application that remains in “Saved” status for more than 14 days will be automatically deleted. If needed, the candidate may be resubmitted at any time. Additionally, effective February 5, 2026, any in-progress applications in the portal that are more than 14 days old will be automatically deleted.
