

## **eGrants Bridge Contracting and SAR Frequently Asked Questions**

**1. Can I initiate/submit my July expenditure report during contracting?**

No, expenditure reports cannot be started or submitted until you have reached the status of Contract Executed again.

**2. Will there be new contract conditions?**

Only subrecipients who received a change in the award amount will have new contract conditions to review, sign, and upload onto eGrants.

**3. When will the amended contracts begin?**

The amended contracts will be retroactive to July 1, 2022.

**4. Who should complete the SAR?**

Your agency administrator or fiscal contact should fill out the SAR. You may need to collect information from multiple departments at your agency so do not wait until the last day to begin your SAR!
