

**Department of Conservation and Recreation
Commonwealth of Massachusetts**

**Brimfield State Forest Trail Master Plan
Public Listening Session**

Monday, November 17th @ 6pm – 7:30pm
Register for the meeting via the [Zoom Registration Link](#).

At this virtual public meeting, the project team will present the Phase I/Phase II findings of the Brimfield State Forest trail master plan and solicit public feedback on trail based recreational opportunities at the forest. The goal of the Trail Master Plan is to provide recommendations for the improvement and management of trails at the forest. The Trail Master Plan will focus on promoting trail sustainability, enhancing recreational opportunities, and improving signage and circulation while protecting natural and cultural resources. Additionally, the plans will inform future decisions about expanding or closing trails and ensure DCR considers the environmental and cultural impacts, climate resiliency, and community needs. Please check the [project page](#) for further information on this project.

The public will be invited to provide comments during the meeting, after the presentation, by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing on DCR's [Past events for DCR Public Meetings Information](#) web page. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of December 1st, 2025. Comments may be submitted via the [DCR public comment portal](#). Please note that the content of comments you submit to DCR, along with your name, town, and zip code, may be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.

Online live language interpretation is available upon request and with advanced notice to mass.parks@mass.gov or 617-872-3270. Please specify which language is being requested. Reasonable accommodations for people with disabilities are available upon request and with advanced notice to Melixza G. Esenyie, ADA and Diversity Manager at the Executive Office of Energy and Environmental Affairs, at Melixza.Esenyie2@mass.gov. Include a description of the accommodation that will be needed and please include as much detail as possible. Please also include a way you can be contacted if more information is needed. Last minute requests will be accepted, but it may not be possible to fulfill the request.
