**WIA Service Description (optional):**

This program provides year- round support to at-risk youth in Attleboro. The Partnership works with the special education departments in two area school systems to identify the most at risk youth and places them in subsidized summer work and learning experiences. These work experiences are designed to help youth identify career interests and to develop basic work skills and are in some cases are linked to educational goals listed in the student's Individual Education Plans (IEP). This program leverages School-to-Career (STC) Connecting Activities funds to maximize program impact.

**F. WIA Service Description (optional):**

MY-Turn's target population are those out of school youth who are among the region's most difficult to serve. These youth are often teen parents, who have histories of drug and alcohol abuse, homelessness and may be court involved. The program offers GED preparation and instruction as well as career development activities. MY-Turn staff work closely with the Bristol Career Centers and other youth service providers to help youth secure the support services they need to be successful.
