

The COMMONWEALTH OF MASSACHUSETTS
BOARD OF UNDERWATER ARCHAEOLOGICAL RESOURCES
100 Cambridge Street, Suite 900, Boston, MA 02114

SHIPS REPORTING FORM

SHIPS, Shoreline Heritage Identification Partnerships Strategy, is a collaborative effort of the Board of Underwater Archaeological Resources with local historical societies, local museums, and the public to document historical and archaeological properties along our shoreline. Please complete this form and return it to the contact listed below. You may also attach any additional information, photographs, or maps. Thank you for your assistance.

PLEASE TYPE OR PRINT LEGIBLY

REPORTER'S CONTACT INFORMATION	
NAME _____	COASTWATCH VOLUNTEER
