Honorable Commissioner:

Pursuant to your instructions and in accordance with Massachusetts General Laws, Chapter 175, Section 4 an examination has been made of the financial condition and affairs of

BUNKER HILL SECURITY INSURANCE COMPANY

at its home office located at 695 Atlantic Avenue, Boston, Massachusetts 02111. The following report thereon is respectfully submitted.

SCOPE OF EXAMINATION

Bunker Hill Security Insurance Company ("BH Sec" or the "Company") has not been examined by the Massachusetts Division of Insurance (the "Division") since its formation on December 21, 2016. The current examination covers the period from December 21, 2016 through December 31, 2017, including any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

Concurrent with this examination, the following insurance affiliates in the Plymouth Rock Company Group were also examined and separate Reports of Examination have been issued:

Plymouth Rock Assurance Corporation ("PRAC")
Pilgrim Insurance Company ("PIC")
Bunker Hill Insurance Company ("BHIC")
Bunker Hill Insurance Casualty Company ("BH Cas")
Bunker Hill Preferred Insurance Company ("BH Pref")
Bunker Hill Property Insurance Company ("BH Prop")

The examination was conducted in accordance with standards and procedures established by the National Association of Insurance Commissioners ("NAIC") Financial Condition (E) Committee and prescribed by the current NAIC *Financial Condition Examiners Handbook*, the examination standards of the Division and with Massachusetts General Laws. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify current and prospective risks of the Company by obtaining information about the Company, including corporate governance, identifying and assessing inherent risks within the Company, and evaluating system controls and procedures used to mitigate those risks.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

This examination report includes significant findings of fact, as mentioned in the Massachusetts General Laws, Chapter 175, Section 4, and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

The Company is audited annually by PricewaterhouseCoopers, LLP ("PwC"), an independent certified public accounting firm. The firm expressed unqualified opinions on the Company's financial statements for the calendar years 2013 through 2017. A review and use of the certified public accountants' work papers was made to the extent deemed appropriate and effective. Representatives from the firm Risk & Regulatory Consulting LLC ("RRC") were retained by the Division to assist in the examination by performing certain examination procedures at the direction

Bunker Hill Security Insurance Company

and under the overall management of the Division's examination staff. Additional assistance included a review of information systems and information technology general controls ("ITGC's") and a review of the actuarially determined loss and loss adjustment expense reserves, as well as other significant actuarial estimates.

SUMMARY OF SIGNIFICANT FINDINGS OF FACT

There were no significant recommendations noted by the examination team for improvements in process, activities and/or controls that should be noted in this report. There were no significant recommendations noted by the examination team in the previous report of examination.

ANALYSIS OF CHANGES IN FINANCIAL STATEMENTS RESULTING FROM THE EXAMINATION

There were no changes in the financial statements resulting from the examination.

COMMENTS ON FINANCIAL STATEMENT ITEMS

As a result of the examination, no significant issues with non-compliance, adverse findings, or material changes to the financial statements were identified.

The Division engaged consulting actuaries from Risk & Regulatory Consulting, LLC to review the reasonableness of the losses and loss adjustment expense reserves ("Reserves") of the Company as of December 31, 2017. The review was conducted in a manner consistent with the Code of Professional Conduct and Qualification Standards of the American Academy of Actuaries and the Standards of Practice adopted by the Actuarial Standards Board.

RRC's actuarial review utilized year-end paid and incurred loss data developed through December 31, 2017. The table below summarizes a comparison of RRC's range of reasonable net estimates for the Reserves to the Company's net carried reserves as of December 31, 2017.

<u>Bunker Hill Security Insurance Company</u> (000's omitted)					
<u>RRC Estimates</u>					
	<u>Low</u>	<u>Indicated</u>	<u>High</u>	<u>Total Carried</u>	(Deficiency) <u>Vs. Indicated</u>
Net Loss & LAE	\$1,488	\$1,567	\$1,723	\$1,752	\$185
<u>Appointed Actuary Estimates</u>					
	<u>Low</u>	<u>Indicated</u>	<u>High</u>	<u>Total Carried</u>	(Deficiency) <u>Vs. Indicated</u>
Net Loss & LAE	N/A	\$1,567	N/A	\$1,752	\$185

The Company's total net carried reserves are above RRC's high point by approximately 1.68%. This amount was deemed acceptable, and RRC concludes the Company's reserves are a reasonable estimate of their ultimate liability.
