Bureau of Special Investigations
FY 2008
Quarterly Report

January 1, 2008 – March 31, 2008

Introduction

The Office of the State Auditor's Bureau of Special Investigations (BSI) is charged with investigating fraudulent claims for or wrongful receipt of payments or services under public assistance programs. BSI receives referrals from various state and federal agencies, the general public and the State Police. The majority of these allegations involve suspected fraud in the Department of Transitional Assistance (DTA) cash assistance and Food Stamp Programs and the Division of Medical Assistance (DMA) MassHealth program.

When an investigation results in identified public assistance fraud, the case is referred to the appropriate legal authority for criminal prosecution or the appropriate agency for civil recoupment of illegally obtained benefits or services. BSI examiners work closely with District Attorneys offices and/or appropriate agency personnel to assure the recovery of lost funds. These entities establish settlement restitution payment amounts and are responsible for the actual collection of these payments.

Third Quarter Activities and Accomplishments

At the start of the third quarter of FY 2008, BSI's caseload included 2915 cases in various stages of investigation. During the period of January 1, 2008 through March 31, 2008, BSI received 460 new allegations of public assistance fraud.

During the same period BSI completed the investigation of 387 cases. In 66 of these investigations, BSI examiners found illegal activities that resulted in \$793,369.13 of fraudulently obtained public assistance benefits and services. Each of these cases has been referred to the appropriate agency for either criminal prosecution or civil recoupment of lost funds.

The total caseload of open investigations on March 31, 2008 totaled 2988 cases.
