GENERAL COMMENTS / INSTRUCTIONS

On arrival I was escorted by maintenance who stated that they found 1 mouse on snap trap in office and threw it away. I inspected that office and found no other signs of activity and added a snap trap. I then inspected all other offices, lockup and other required areas and found no other signs of activity but replaced 2 zone monitors due to being dirty. I concluded with my exterior inspection and found no signs of activity. Thank you for choosing Burgess.
