CIRCULAR LETTER NO. 15A

Re: MEDICAL REPORTS

To: ALL COMPENSATION AGENTS OF THE COMMONWEALTH,
CITIES, TOWNS AND DISTRICTS

The attention of all compensation agents is directed
to the following rule of the Board adopted January 26, 1939:

"VOTED, that insurers shall file with the Department
copies of all medical reports in any case when filing
an agreement in regard to compensation, an employee's
agreement to discontinue, an application to discontinue
compensation, or when stating a denial of liability or
requesting a hearing."

It is to be noted that the foregoing does not relieve
the requirement of the existing rule, adopted May 3, 1923,
which has been published and republished to compensation agents
and requires that in every case where disability continues for
a period of more than three months compensation agents shall
file with the Department, promptly, copies of all medical re-
ports, including prognoses, not previously filed.

Compensation agents are requested to note these re-
quirements and arrange for the routine filing of the required
reports.

Very truly yours,

Edward A. Doyle

Secretary
