CIRCULAR LETTER NO. 2

TO: ALL INSURERS, COMPENSATION AGENTS UNDER GENERAL LAWS, CHAPTER 152, Section 75, and HOSPITALS.

The following vote and rule of the Industrial Accident Board is published for the information and guidance of all concerned:

> VOTED: Effective November 22, 1934, that fees for special nurses may be allowed in the discretion of the Board where the necessity for such service is found to exist and where such service is furnished upon the order or recommendation of the attending physician and that, where the services of one such nurse is found necessary, the fee of not exceeding $35.00 a week may be allowed. Where the services of more than one such nurse are found to be necessary, fees not exceeding $70.00 a week, irrespective of the number of nurses employed in such case, may be allowed in the discretion of the Board.

The foregoing rule does not affect the previous rule that no allowance will be made for "board" of nurses in such cases.

Very truly yours,

~~INDUSTRIAL ACCIDENT BOARD~~
EDWARD P. DOYLE,
SECRETARY
