RE: Reimbursement of Fees for Physicians

Pursuant to Section 9A, Chapter 152, the maximum allowable reimbursement fee for a physician who testifies at a hearing or who is deposed is \$350.00.

The Administrative Judge may vary the fee when he/she deems it necessary due to the complexity of the case, the specialty of the physician, and the time required by the physician.

The Administrative Judge will grant approval of the fee before the final decision is rendered and with both parties in attendance.
