FROM: Paul V. Buckley, Commissioner

RE: On-line payment of First Report of Injury Fines & DIA Referral Fees now available

Date: March 9, 2010

The Department of Industrial Accidents (DIA) is pleased to announce that, effective today, fines for First Report of Injury violations as well as DIA Referral Fees may be paid on-line via the agency website – www.mass.gov/dia.

The new service will work in conjunction with on-line (ACH) debit and credit card functionality, making the filing of these payments more efficient and timely, while reducing the potential of lost invoices, checks and late filings. This new service demonstrates the on going commitment of the Patrick/Murray administration to enhanced productivity and quality customer service.

Best regards,

Paul V. Buckley
Commissioner
