Docket No. Y-00 INC, Y-00 EQU

On August 4, 2000, the Cable Television Division (“Cable Division”) of the Department of Telecommunications and Energy issued our Order On Compliance Filing with respect to refilings made by Cablevision Systems Corporation (“Cablevision”) on Federal Communications Commission (“FCC”) Form 1205s for all of the above-captioned communities, and on FCC Form 1240 for Boston and Brookline. In our Order on Compliance Filing, we approved Cablevision’s FCC Form 1240 for Boston and Brookline, but directed Cablevision to revise its FCC Form 1205s as directed therein. On August 10, 2000, Cablevision filed its revised FCC Form 1205s. We find that Cablevision’s revised FCC Form 1205s comply with our directive in the Order on Compliance Filing.

Accordingly, upon due notice, hearing and consideration, the Cable Division hereby accepts as reasonable and in compliance with applicable statutes and regulations, Cablevision’s FCC Form 1205s as filed on August 10, 2000 for Acton, Ashburnham, Ayer, Bedford, Belmont, Boston, Boxborough, Braintree, Brookline, Carlisle, Concord, Danvers, Fitchburg, Framingham, Gardner, Georgetown, Groveland, Haverhill, Hudson, Leominster, Lexington, Lincoln, Littleton, Lunenburg, Lynnfield, Maynard, Norwood, Peabody, Stow, Sudbury, Templeton, Townsend, Tyngsborough, Westford, Westminster and Westwood.

The attached schedule provides Cablevision’s proposed and the Cable Division’s approved maximum permitted equipment charges for the above communities.
