Hi Emily, thank you for contacting us.

You're correct, there are no application materials needed. The applicant only needs to determine if they will make their CHI payment in full at time of approval (e.g. within a month of approval) or if in two installments (at approval and one year later). Let us know. Thanks.
Ben

Good morning Ben,

I am reaching out because I am working with Campion Health & Wellness, a long-term care facility dedicated to serving Jesuits priests in Weston. Campion is going to be submitting a Determination of Need to the Department. I want to confirm that long-term care applicants fulfill their community-based health initiative (CHI) by contributing to the statewide Healthy

Aging Fund and there are no application materials specific to CH required for a long term care applicant.

Thanks,
Emily
