The Department of Conservation and Recreation is hosting a public listening session for Cannalunga Park in the City of Watertown. In this public listening session, the DCR project team will review existing site features and issues that need to be addressed, and then open the meeting for public comments to determine the community's preferences for recreational opportunities in the park.

The public will be invited to submit comments after the meeting, with a deadline for receipt by DCR of June 22nd, 2022. Comments may be submitted online at <https://www.mass.gov/forms/dcr-public-comments>. Please note that public comments submitted to DCR may be posted on the DCR website in their entirety, and no information, including personal information, may be redacted.
