**Our brand new facility is state of the art**

## Storage Rates & Services

1. **Inventory-** Our Inventory Specialist will complete a *Detailed & Numbered Descriptive Inventory* of each item, before it leaves your home or business.
  2. **Quilted Protection-** Each item is wrapped in thick moving quilts, and rubber banded.
  3. **New! Optional Stretch Wrap Protection-** Leather and upholstery stretch-wrapping, *for added protection, upon request.* – *Mattress Bags are required for the protection of all storage customers* – *Seasonally used mattresses may obtain a Coverage Waiver* – *Prices for mattress bags are listed within the packing supply order form*
  4. **Warehouse Storage-** Items to be stored are placed in climate-controlled **vaults and sealed**, then placed in our Facility.
- **Access-** access to your goods is available just call us and arrange a time, Mon- Sat 8-3.
  - **Value Protection-** Full Replacement Value Protection is available for a fee, or sixty cents per-lb. per article value protection at no charge.
  - **Rates-** Our Storage Rates are priced per Vault and based upon the inventory provided. Additional Items not inventoried will require additional vaults, which are priced at \$75 each.
  - Labor & Mileage rates are subject to change pending the term of storage and will be billed at current man-hour rate on delivery
  - **Cape Cod Moving & Storage - Makes every attempt to provide an accurate moving price.** *Although our space estimators are generally accurate, you may still require more or less space than originally quoted. All storage customers are required to provide credit/debit authorization for billing. Alternate arrangements must be preapproved by our office. All storage is priced on an actual volume basis; any adjustments will be listed within first storage invoice.*
